## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF HGI INDUSTRIES LIMITED

#### Report on the Financial Statements

We have audited the accompanying financial statements of **HGI Industries Limited ("the Company")**, which comprise the Balance Sheet as at 31<sup>st</sup> March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the

financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes valuating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2017, and its profit and its cash flows for the year ended on that date.

#### Emphasis of Matters

We draw attention to the Note 4 of the financial statements indicating that the Company has accumulated losses more than 50% of its Net Worth and other matters set forth in Note 20. As per management, they are exploring various business opportunities so the financial statements of the Company have been prepared on a going concern basis.

Our opinion is not modified in respect of this matters.

#### Report on Other Legal and Regulatory Requirements

- 1) As required by 'the Companies (Auditor's Report) Order, 2016' ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

**(Referred to Paragraph 2(g) of Report on Other Legal and Regulatory Requirements of our Report of even date to the members of HGI INDUSTRIES LIMITED for the year ended 31<sup>st</sup> March, 2017)**

We have audited the internal financial controls over financial reporting of **HGI INDUSTRIES LIMITED** (“the Company”) as of 31<sup>st</sup> March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2017**

**1. Basis of Preparation**

The financial statements of the Company have been prepared in accordance with Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

**2. Summary of Significant Accounting Policies**

**i) Use of Estimates**

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustments to the carrying amount of assets and liabilities in future periods.

**ii) Revenue Recognition**

Revenue, if any, from sale of goods will be recognized upon passage of title to the customers which would generally coincide with delivery thereof. Claims, due to uncertainty in realization, are accounted for on acceptance/cash basis. Dividend income on investments is accounted for when the right to receive the payment is established. Interest income, if any, will be recognized on a time proportion basis taking into account the amount outstanding and rate applicable. Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between sale price, carrying value of Investment and other incidental expenses. Rental Income is recognised on an accrual basis in accordance with the terms of the relevant agreement.

**iii) Operating Leases**

**Company as Lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit & Loss on a straight line basis over the leased term.

**Company as Lessor**

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

**iv) Retirement Benefits and other employee benefits**

- a) Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when an employee renders the related service. There are no obligations other than the contributions payable to the respective trusts / funds.
- b) Short term compensated absences are provided for based on estimates.

**NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2017**

**v) Borrowing Costs**

Borrowing Costs relating to acquisition/construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

**vi) Taxation**

Provision for current Income Tax is made on the taxable income using the applicable tax rules and tax laws. Deferred Tax, if any, arising on account of timing difference and which are capable of reversal in one or more subsequent period is recognized using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets, if any, subject to consideration of prudence are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

**vii) Earnings Per Share**

Basic Earning Per Share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earnings Per Share, the net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**viii) Tangible Fixed Assets**

Fixed Assets are stated at cost less accumulated depreciation/amortisation and impairment, if any. Cost comprises of the purchase price inclusive of duties (net of CENVAT/VAT), taxes, incidental expenses, erection/commissioning expenses and interest, etc. upto the date, the asset is ready for its intended use.

**ix) Impairment of Assets**

- a) The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.
- b) After impairment, depreciation is provided on the revised carrying amount of the assets over their remaining useful life.

**x) Depreciation on Tangible Fixed Assets**

- a) Depreciation on Fixed Assets is provided on straight line method and manner specified in Schedule II of the Companies Act, 2013.

The Company has used the following useful lives to provide depreciation on its fixed assets.

<b>Class of Asset</b>	<b>Useful Lives (years)</b>
Building	60
Computers	3 to 6
Office Equipment	5

- b) Depreciation on Fixed Assets added/disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal thereof.

**NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2017**

**xi) Investments**

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current Investments are stated at lower of cost and market rate on individual investment basis. Long Term Investments are considered at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of investments.

**xii) Provisions**

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation , in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to its present value and are determined based on the management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

**xiii) Cash and Cash equivalents**

Cash and Cash equivalents in the Cash Flow Statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

**xiv) Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements
