# Board's Report

## **Annual Evaluation of the Board of Directors**

The formal annual evaluation has been made by the Board of its own performance and that of its Committees and individual Directors on the basis of a set of criteria framed by the Nomination & Remuneration Committee and approved by the Board. The performance evaluation, thus, included the following:

- i. Board Assessment;
- ii. Assessment of each of the Committees constituted by the Board;
- iii. Peer Assessment by each Director.

Your Directors were circulated performance evaluation sheets containing various parameters with a rating scale. Accordingly, the Performance evaluation exercise was carried out through a structured evaluation process covering various aspects of the Board's functioning such as composition of the Board & Committees, experience & competencies, performance of specific duties & obligations, etc. Separate exercise was carried out to evaluate the performance of Individual Directors who were evaluated on parameters such as attendance, contribution at the meetings and otherwise, independent judgment and a summarized statement of the same was reported to the Board.

The outcome of such performance evaluation was discussed and based on the above evaluation, it was decided to continue the terms of the appointed Independent Directors and also to seek approval of the shareholders at the forthcoming Annual General Meeting for re-appointment of Director(s) retiring by rotation.

## **Disclosure on remuneration of Directors and Key Managerial Personnel (KMP)**

Pursuant to the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 the remuneration of Key Managerial Personnel of the Company is as under:

### **Remuneration of Key Managerial Personnel (KMP)**

Name of the KMP	Designation	Remuneration in FY 2020-21 (in ₹)	Remuneration in FY 2019-20 (in ₹)	% increase of remuneration in 2021 as compared to 2020
Kamal Kishor Agarwal	Chief Financial Officer	1,20,000	1,20,000	–
Rakesh Sharma	Company Secretary & Compliance Officer	7,94,686	7,94,474	–

Your Company aims to provide competitive remuneration opportunities to the executives by positioning target total remuneration (including perks and benefits, annual incentive pay-outs, long term incentive pay-outs at target performance) and target total cash compensation (including annual incentive pay-outs) at target performance directionally between median and top quartile of the primary talent market. The Median Remuneration of Employees (MRE) cannot be computed as there were only two permanent employees on the rolls of the Company during Financial Year 2020-21. # Independent Auditor's Report

## To The Members of HGI Industries Limited Report on the Audit of the Ind AS Financial Statements

### Opinion

We have audited the accompanying Ind AS Financial Statements of **HGI Industries Limited ("the Company")**, which comprises the Balance Sheet as at 31st March, 2021, and the statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of Cash Flows for the year then ended, and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its Profit, Other Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

### Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Management is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statement

The Company's Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standard specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant of the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## Independent Auditor's Report

In preparing the Ind AS Financial Statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Management are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section(11) of section 143 of the Companies Act, 2013, we give in the **Annexure- 'A'** a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

## Independent Auditor's Report

- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure –B"**.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

As per the records of the Company and to the best of our information and explanations given to us, there is no remuneration paid/provided by the

company to its directors during the year.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) The Company has disclosed the impact of pending litigations on its financial position in its Ind AS Financial Statements– Refer Note 21 to the Ind AS Financial Statements.
  - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (iii) There was no amount which were required to be transferred to the Investor Education and Protection Fund by the Company.

## Annexure 'B' To The Independent Auditor's Report

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

**(Referred to Paragraph 2(g) of Report on Other Legal and Regulatory Requirements of our Report of even date to the members of HGI INDUSTRIES LIMITED for the year ended 31<sup>st</sup> March, 2021)**

We have audited the internal financial controls over financial reporting of **HGI INDUSTRIES LIMITED** ("the Company") as of 31<sup>st</sup> March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting

was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of IND AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

## Annexure 'B' To The Independent Auditor's Report

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2021, based on the internal control over financial

reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Cash Flow Statement for the year ended 31<sup>st</sup> March, 2021

CIN : L40200WB1944PLC011754

## Accounting Policy

Cash flows are reported using the indirect method as set out in Ind AS 7 prescribed under the Companies Act (Indian Accounting Standard) Rules, 2015 of the Companies Act, 2013, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

## 1. Corporate Information

HGI Industries Limited (the Company ) having CIN No.-L40200WB1944PLC011754 and its registered office at Industry House 18<sup>th</sup> Floor, 10 Camac Street Kolkata-700017, India is a Public Limited Company incorporated and domiciled in India.

### 2.1 Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under The Companies (Indian Accounting Standards) Rules, 2015 (the Rules) as amended from time to time.

The financial statements of the Company comply in all material aspect with the Indian Accounting Standards (IND AS) as prescribed under section 133 of the Companies Act, 2013 (the Act), as notified under the Companies (Indian Accounting Standards) Rule, 2015, Companies (Indian Accounting Standards) Amendment Rule, 2016 and the accounting principles generally accepted in India.

The financial statements for the year ended 31<sup>st</sup> March, 2021 have been approved by the Directors of the Company in their meeting held on 27<sup>th</sup> May, 2021.

The financial statements have been prepared on a historical cost convention, on accrual basis, except for certain financial assets and liabilities which have been measured at fair value as described in accounting policies regarding financial instruments.

The financial statements of the Company have been presented in Indian Rupee (₹) which is the Company's functional currency. All financial information presented in INR have been rounded off to 'Thousands', unless otherwise stated.

Use of Estimates and Management Judgements while preparing the financial statements in conformity with accounting principles generally accepted in India, management is required to make estimates & assumptions that affects reported amount of Assets & Liabilities and the disclosure of Contingent Liabilities as at the date of standalone financial statements and the amount of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined.

The Ministry of Corporate Affairs (MCA) has issued certain amendments in existing Accounting Standards during the year ended 31<sup>st</sup> March, 2020, which are effective from 24<sup>th</sup> July, 2020.

\* Definition of Material – amendments to Ind AS 1 and Ind AS 8 - Amendments are made to Ind AS 1 - Presentation of Financial Statements and Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors, which use a consistent definition of materiality, clarify when information is material and incorporate some of the guidance in Ind AS 1 about immaterial information.

In particular, the amendments clarify: -

that the reference to obscuring information addresses situations in which the effect is similar to omitting or misstating that information, and that an entity assesses materiality in the context of the financial statements as a whole, and

- the meaning of 'primary users of general purpose financial statements' to whom those financial statements are directed, by defining them as 'existing and potential investors, lenders and other creditors' that must rely on general purpose financial statements for much of the financial information they need.

\* Definition of a Business – amendments to Ind AS 103 - The amended definition of a business requires an acquisition to include an input and a substantive process that together significantly contribute to the ability to create outputs. The definition of the term 'outputs' is amended to focus on goods and services provided to customers, generating investment income and other income, and it excludes returns in the form of lower costs and other economic benefits.

\* COVID-19 related concessions – amendments to Ind AS 116 - Amendments to Ind AS 116 Leases, provides a practical expedient to apply rent concessions occurring as a direct consequence of the COVID-19 pandemic. Lessee that makes this election shall account for any change in lease payments resulting from the rent concession the same way it would account for the change applying this Standard if the change were not a lease modification.

\* Interest Rate Benchmark Reform – amendments to Ind AS 109 and Ind AS 107 - The amendments made to Ind AS 109 Financial Instruments, and Ind AS 107 Financial Instruments: Disclosures provide certain reliefs in relation to interest rate benchmark reform. The reliefs relate to hedge accounting and have the effect that the reforms should not generally

# Notes to the financial statements as at and for the year ended 31<sup>st</sup> March, 2021

CIN : L40200WB1944PLC011754

cause hedge accounting to terminate. However, any hedge ineffectiveness should continue to be recorded in the income statement.

\* Ind AS 10 (Events after the Reporting Period) - An amendment has been made by adding the disclosure for any non-adjusting events.

\* Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) - An accounting of restructuring plans has been substituted.

The amendments listed above did not have any impact on the amounts recognized in prior periods and are not expected to significantly affect the current and future periods.

## 2.2. Summary of Significant Accounting Policies

### i) Basis of classification of Current and Non-current

Assets and liabilities in the Balance Sheet have been classified as either current or non-current based upon the requirements of Schedule III to the Companies Act, 2013.

An asset has been classified as current if (a) it is expected to be realized in, or is intended for sale or consumption in the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is expected to be realized within twelve months after the reporting date; or (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets have been classified as non-current.

A liability has been classified as current when (a) it is expected to be settled in the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is due to be settled within twelve months after the reporting date; or (d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. All other liabilities have been classified as non-current.

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. The Company has considered its operating cycle to be 12 months.

### ii) Fair value measurement

The Company measures certain financial instruments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### iii) Revenue Recognition

Revenue, if any, from sale of goods will be recognized upon passage of title to the customers which would generally coincide with delivery thereof. Claims, due to uncertainty in realization, are accounted for on acceptance/cash basis. Dividend income on investments is accounted for when the right to receive the payment is established. Interest income, if any, will be recognized on a time proportion basis taking into account the amount outstanding and rate

# Notes to the financial statements as at and for the year ended 31<sup>st</sup> March, 2021

CIN : L40200WB1944PLC011754

applicable. Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between sale price, carrying value of Investment and other incidental expenses. Rental Income is recognised on an accrual basis in accordance with the terms of the relevant agreement.

## iv) Operating Leases

### Company as Lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in Property, Plant & Equipment. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

## v) Retirement Benefits and other employee benefits

- a) Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when an employee renders the related service. There are no obligations other than the contributions payable to the respective trusts / funds.
- b) Short term Employee Benefits are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

## vi) Borrowing Costs

Borrowing costs (including other ancillary borrowing cost) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

## vii) Taxation

Provision for current Income Tax is made on the taxable income using the applicable tax rules and tax laws. Deferred Tax, if any, arising on account of timing difference and which are capable of reversal in one or more subsequent period is recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets, if any, subject to consideration of prudence are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

## viii) Earnings Per Share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## ix) Property, Plant and Equipment

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price and any attributable cost of bringing the asset to its working condition for its intended use. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

# Notes to the financial statements as at and for the year ended 31<sup>st</sup> March, 2021

CIN : L40200WB1944PLC011754

## x) Depreciation on Property, Plant and Equipment

- a) Depreciation on Property, Plant and Equipment is provided on straight line method and manner specified in Schedule II of the Companies Act, 2013.

The Company has used the following useful lives to provide depreciation on its fixed assets.

Class of Asset	Useful Lives (years)
Building	60
Computers	3 to 6
Office Equipment	5

- b) Depreciation on Property, Plant and Equipment added/disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal thereof.

## xi) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount.

Impairment losses are recognised in the statement of profit and loss.

## xii) Provisions

### General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted at a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## xiii) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### (A) Financial assets

#### Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

#### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Debt instruments at amortised cost
- Debt instruments, derivatives, equity instruments and mutual fund investments at fair value through profit or loss (FVTPL)

# Notes to the financial statements as at and for the year ended 31<sup>st</sup> March, 2021

CIN : L40200WB1944PLC011754

(c) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

**(a) Debt instruments at amortised cost**

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the profit or loss.

**(b) Debt instruments, derivatives, equity instruments and mutual fund investments at fair value through profit or loss (FVTPL)**

All derivatives and mutual fund investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

**(c) Equity instruments measured at fair value through other comprehensive income (FVTOCI)**

For all equity instruments other than the ones classified as at FVTPL, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Profit & Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

**Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when the rights to receive cash flows from the asset have expired.

**Impairment of financial assets**

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

**(B) Financial liabilities**

**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, financial guarantee contract payables, or derivative instruments.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial

## Notes to the financial statements as at and for the year ended 31<sup>st</sup> March, 2021

liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

### Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### xiv) Cash and Cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

#### xv) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

#### xvi) Foreign currency transactions and translation

##### (a) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian Rupee (₹), which is the Company's functional and presentation currency.

##### (b) Transactions and Balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. At the year-end, monetary assets and liabilities denominated in foreign currencies are restated at the year - end exchange rates. The exchange differences arising from settlement of foreign currency transactions and from the year-end restatement are recognised in profit and loss.

All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within 'Other Income'/'Other Expenses'. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.
